

Intellitec

Intelligent Use of Technology

For over 45 years, Intellitec has supported the RV and specialty vehicle market with energy management and system controls. We use this knowledge and experience to form longterm partnerships and produce quality electronics.

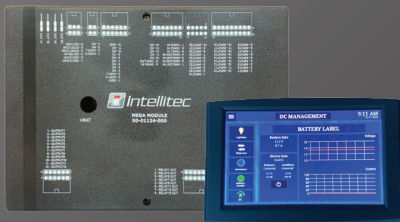

BATTERY DISCONNECTS

100 & 200A Battery Disconnects
100 & 200A Isolator Relays

BATTERY ISOLATION & MANAGEMENT

Battery Guard® Line of Automatic Battery Disconnects
Bi-Directional Isolator Relay Delays
Isolator Relay Delays
RV-C Communication

MULTIPLEXING

Road Commander Multiplex System
Vehicle Programmable Logic Controller
Programmable Multiplex Controls

SYSTEM CONTROLS

Lighting Controls
Water Pump Controls
Slide Out Room Controls

POWER DISTRIBUTION & ENERGY MANAGEMENT

Automatic Energy Selector Switch
Automatic Transfer Switch
Energy Management Systems
